PROCEDURES

Students who wish to gain an EU studies diploma are required the following procedures.
There is a submission deadline for each procedure in Spring Semester and Fall Semester.

★The basic flow to complete EU-DPs

Step 1 PROGRAMME ENTRY

Step 2 REPORT OF ACQUIRED CREDITS IN THE PREVIOUS ACADEMIC YEAR (Once a year)

Step2 is NOT necessary for students in LL.M. and CSPA programmes.

Step 3 RESEARCH PAPER
(Submission of the Proposal >>> Research Paper)

Step 4 APPLICATION FOR COMPLETION

• For students in LL.M. and CSPA programmes: 1→3→4

• For Undergraduate students who take courses for 4 credits instead of submitting RP: 1→2→4

Step 1 **Deadline for Spring Semester 2022:**
13 May 2022

* A minimum of two semesters is required to complete the EU-DPs.

For those who plan to graduate in March 2023, please register now in this registration period.

Step 1 **1. PROGRAMME ENTRY >>> Submission of the "EU-DPs Entry Sheet" via email**

Please submit the entry sheet when you register first for this programme, or when you want to change information in the entry sheet.

※Doctoral students applying for the EU-DP Graduate Diploma Course must submit a "Letter of Acceptance for the EU Studies Diploma Programmes (EU-DPs) Enrollment (WORD)."

Step 2 **2. REPORT OF ACQUIRED CREDITS >>> Submission of the "Report of acquired credits in the previous academic year" via email**

Step2 is NOT necessary for students in LL.M. and CSPA programmes.

A list of EU-DPs subjects will be published on the EU Centre's website every around April (or around October). Please make a course plan and follow the registration procedure of your School / Graduate School. Please report to the EU Centre about the subjects you have completed in the previous year in April (October) of the following year.

Step 3 **3. RESEARCH PAPER >>> Submission of the Proposal >>> Submission of Research Paper and An academic advisor assessment**

The EU-DPs Research paper (RP) must focus on an EU-related matter and be discussed within the context of one or more academic disciplines.

In lieu of a separate research paper, students may submit a graduation/master thesis.

3-1: Submission of Research Paper proposal

Please submit it in the semester which you plan to submit your RP.

If you submit your RP in the next Fall Semester (in February), please submit a proposal in November 2022.

3-2: (1) Submission of RP (2) Submission of an academic advisor assessment

Please submit your RP and an academic advisor assessment in the semester which you submitted the RP proposal.

Step 4 **4. APPLICATION FOR COMPLETION >>> Submission of the "Application for completion of EU-DPs" via email**

Please submit the form in the semester which you will complete the requirement.
